

Dell Latitude 3000 Series

Reliable and affordable laptops designed for small businesses with essential computing needs

Reliable performance

Do not compromise on performance. The Latitude 3000 Series delivers excellent productivity for content creation and consumption.

- Low-voltage Intel® Core™ processors: Power through challenging jobs and easily multitask with efficient processor options.
- Windows 7 Professional or Windows 8 Pro: Run your demanding applications smoothly. Support touch-screen interaction with Windows 8 Pro.
- Optional discrete graphics with 2GB memory: Boost performance for graphics-intensive applications.

Durable design

Whether you're an office or mobile professional, you can count on your Latitude 3000 Series to stand up to the demands of your schedule.

- Sturdy chassis: Work and travel without worry, thanks to durable chassis' that has undergone highly accelerated life testing.
- Thin, light and stylish: Your easy-to-carry Latitude is less than 1" (25mm) thin, starts at only 4.3 lbs. (2.0kg) and comes with a sleek aluminum finish.
- Display Options: Choose from anti-glare HD, anti-glare Full HD (1920 x 1080) or touch screen HD.

Secure and manageable

With a targeted 12 month stable lifecycle and enhanced security features, the Latitude 3000 Series offers a smart choice for an easy to manage environment.

- Dell Data Protection I Protected Workspace: Protect end users and data from advanced malware, including zero-day threats.
- Dell KACE Appliances: Help reduce the time and cost of system management with Dell KACE systems management appliances.
- Configuration and deployment services: Create a standardized environment and ease deployments with Dell Configuration and Deployment Services and Dell Imaging Services.

Essential accessories for your Latitude 3000 Series

Complete your Latitude 3000 Series with accessories that increase your productivity and make your life easier.

- Dell Professional Slip Case – Protect your laptop with this lightweight slip case designed to function on its own or inside a Dell Carrying Case
- Dell USB 3.0 SuperSpeed Dual Video Docking Station – Connect your laptop quickly and easily to external displays and devices at your desk.
